Customer Problem Statement Template:

Create a problem statement to understand the customer's point of view. The Customer Problem Statement template helps focus on what matters to create better customer experiences.

A well-articulated customer problem statement helps the team identify the challenges customers face and understand how they perceive the product or service.

Customer Problem Statements

I am (Customer)	I'm trying to	But	Because	Which makes me feel
a metro passenger	book a metro ticket quickly and easily	I have to enter journey details and calculate the fare before getting the ticket	the ticket booking process can involve multiple steps and manual fare calculation	frustrated and inconvenienced
a metro passenger	get a convenient digital ticket for my journey	I need a simple way to select the route, passenger count and payment mode and receive my ticket	I want the booking details and ticket to be generated accurately in one place	confused and dissatisfied

Problem Statement (PS-1)

I am a metro passenger. I'm trying to book a metro ticket quickly and easily, but I have to enter journey details and calculate the fare before getting the ticket, because the ticket booking process can involve multiple steps and manual fare calculation, which makes me feel frustrated and inconvenienced.

Problem Statement (PS-2)

I am a metro passenger. I'm trying to get a convenient digital ticket for my journey, but I need a simple way to select the route, passenger count and payment mode and receive my ticket, because I want the booking details and ticket to be generated accurately in one place, which makes me feel confused and dissatisfied.
